WEEKLY PROGRESS TREND (ALL INITIATIVES)

THIS WEEK'S OBJECTIVES

- 1 Accompany the karate delegation to the 35th Junior, Cadet, U14, and U12 Pan American Championships in Cartago, Costa Rica, August 24–30.**
 Expected result — Support the delegation with whatever they need for the tournament.
 Success indicator — In this case, the support and guidance provided are, in and of themselves, the indicator of the activity.
- 2 Monitor the training of athletes with Olympic scholarships who are preparing for the ODESUR Games in Santa Fe.**
 Expected result — Identify training needs for athletes currently in Suriname; this follow-up has two components: one virtual, which is discussed in a virtual meeting, and another in Suriname, carried out by my colleague Mike Nahar
 Success indicator — Monitoring report prepared by our colleague Mike Nahar in Paramaribo.
- 3 As part of the program to identify and develop athletic talent, we reached out to a representative from ACNO for the second time to connect with National Olympic Committees (NOCs) that have tools for identifying and developing talent.**
 Expected result — To receive feedback from the CON in order to learn about the best practices that organization has already implemented.
 Success indicator — At least connect with the CON of Cape Verde

EXECUTIVE SUMMARY

The karate delegation was in Costa Rica, and I accompanied them to the event. I also attended the weekly meeting with Mike Nahar, who oversees the training of the athletes in Paramaribo.
