KEY ACTIVITIES THIS WEEK

DATE	ACTIVITY	STATUS
Sep 7	Working on the information that i need to present and explain with the NOC, presidents and ministry of culture and sport, also working on the diferentes technical aspects we need to check directly with the athletes.	In Progress
Sep 9	Follow up the confirmation of the program for my next technical visit on Grenada, we have some issues in the communication, some presidents of the association didn't confirm the assistance, so i send a general message on the chat group with the presidents , invited them for our training session, also Veda spoke to me for the athletes meeting, so we define have the meetings by zoom, cause some of them are abroad in this moment.	In Progress

WEEKLY PROGRESS TREND (ALL INITIATIVES)

THIS WEEK'S OBJECTIVES

- 1** Confirm the schedule for the technical visit on the site, verify if everyone has the information of the meetings for the next 2 weeks. Integrate all the information for the next two weeks

Expected result — Verify the schedule, the tools, the persons that gonna be on each meeting and training sessions

Success indicator — Complete the schedule of the program 80%, involve all the entities work in the strategy for LA28 (associations, ministry of culture and sports, presidents of associations and the NOC)
- 2** Firstly present the proposal of the sport system and then implement step by step the initiatives of the program

Expected result — All the entities accept the proposal of the sport system and start working on the implementation in that way we start the professionalization of the sport in Grenada

Success indicator — They would work in the process management , using efficiently the resources , monitoring all the proceeds of the preparation for each program, validate the results versus the support they assign in each program and finally with the results on the number of quotas for LA28 and the results in Panamerican Games

EXECUTIVE SUMMARY

The main goal of this week was define the approaches for this technical visit , work closely with the NOC in the strategy for LA28, having some methodological meetings with the athletes, define the universe of athletes in each program, define the support for each athletes, define the Tehcnical criterias measuring the improvement of this program and finally try to involve the ministry of culture and sport in all this process for LA28

COORDINATION

Some issues in communication and coordination, we still have the bad habit of not confirm the reception of the information so i decided to sent a directly message with all the presidents of the association , my strategy for the next week is sent a message individually

Action — Maintain direct communication with the presidents and confirm the others meeting with Veda

NEXT WEEK FOCUS

Have everything ready for my next visit (ppt, templates, and minutes for the technical visit)
