GOVERNANCE

9/10

No change vs. last week

At this stage, I am compiling a ranking of federations with the goal of developing recommendations for improvement for the SOC's Technical Unit.

Coaches Education Program

EDUCATIONAL

8/10

No change vs. last week

Coaches who participated in the workshop and who hold Panam Sports Certificate Level 1 are invited to serve as coaches to administer the six tests proposed in the pilot program; this is a great opportunity to learn how to implement these types of activities. This experience serves as the foundation for becoming a scout in the future as qualified personnel for a national plan for the identification and development of athletic talent in Suriname.
