WEEKLY PROGRESS TREND (ALL INITIATIVES)

THIS WEEK'S OBJECTIVES

- 1 Present the proposal of the Sport system in Grenada with the Ministry of Sports, present the implementation of the Strategy to LA28 to all the executive of the Olympic Commiittee and the updates since April, Meeting with the athletes that are on the Semi Elite and Development groups to well know the necessities and share with them the approach of this group

Expected result — The executive of the Olympic Committee understands in which phase we are, accept the guidelines for the implementation phase and control the process. Assign responsibilities in each member of the Olympic Committee to define who is responsible for verify, notify,control each process of the strategy.

Success indicator — Assign specific process , responsable and control the implementation phase. Improve the communication between the Associations. Developed track system for the athletes that are abroad.

- 2 With the Ministry of Sports convinced them to implement the proposal. The big expectations with this meeting was looking for the interest in involve some others entities and realize the importance of work together for the same goal, in that way they can use the budget effectively and guarantee the success of the main goal

Expected result — Implement meetings with all the stakeholders in the process of supporting the athletes. Improve the operation and communication between all the entities Be interesting in have another meeting with all the others stake holders to define the actions lines

Success indicator — Define the next meeting with all the others responsables of the government to be aligned in this proposal

- 3 Meeting with the athletes of the development and semi elite athletes that are on site

Expected result — Open the door to know the necessities, objectives and share th3 approach of this project

Success indicator — Implement the follow up with each group, define the responsable of each group and star monitoring the performance of the athletes

EXECUTIVE SUMMARY

The big challenge in this week was that I broke my extensor tendon of my finger, so I propose develop a protocols for situation like that.

Another challenge is Veda share to me that she didn't know that on march starting the payments so she is worried because she doesn't have more money for pay me until December.

The meetings with the executive, ministry and athletes were the achievements for this week, confirm and present with all of them

The executive of the NOC and me coordinated the effort to improve the commitment of the associations, in that way we are achieving the professionalism of the associations

INITIATIVE PROGRESS

Strategy for LA28

STRATEGIC

● In Progress

▲ 2 vs. last week

Presented the approach of the strategy, the most relevant is the enthusiasm that they show. It we need to delegate some duties in al the process, who control, verify the implementation

Sport System GRN 2028-2032

STRATEGIC

● In Progress

7/10

▲ 2 vs. last week

The proposal was presented but they presented an initiative, they would like another meeting with some others members in the government that should know a about the system and the benefits of working together

Leadership for Associations

STRATEGIC

● On Hold

5/10

No change vs. last week

We will start this next week

Training session for coaches

STRATEGIC

● In Progress

1/10

First week tracked

Training session with all the coaches of the 4 sports programs

PANAM SPORTS SUPPORT NEEDED

NEXT WEEK FOCUS

Start the traning sessions with coaches, meeting with the athletes of th3vsemi elite group abroad, and develop the strategy for Panamericans and Youth Olympics Games
