WEEKLY EXECUTIVE SUMMARY

This week I finished the project progress report to be presented to the SOC Board of Directors once the XXV Central American and Caribbean Games in Santo Domingo 2026 conclude. In addition, we focused on coordinating and finalizing details regarding the presentation of the workshop content, as well as the request for logistical support from the SOC, which was excellent. We also finally had a meeting with Emilio and our fellow methodologists to learn about best practices in our assigned countries; it was a great decision.
