WEEKLY EXECUTIVE SUMMARY

This week the training session with the associations finalized, we couldn't reach the same goal with the coaches, there for being flexible in the original plan helps me to reorganize the plan. I could make some technical visit, identified areas of opportunity an all of this gonna be integrate in the next training. Also it was so productive this period, i can realize the daily day and i will develop a process management strategy's for them.

Data reflects the information submitted for the selected week.
Updates are recorded weekly.
