2 total engagements this week, across 2 stakeholder types.

WEEKLY PROGRESS TREND (ALL INITIATIVES)

THIS WEEK'S OBJECTIVES

- 1** Present the updates with Veda Bruno, Technical Analysis CW and CAC, Strategic Plan LA28, Sport System GRN, Topics for the Associations and coaches training

Expected result — Discuss technical points in each topics, define the next step for the implementation and the third stage on site

Success indicator — We didn't cover all the topics so, we gonna have another meeting next week to define line actions of each topics
- 2** Working on the universe of athletes that would have projection for the quotas and possibilities of medals in LA28 , identify the athletes and the requirements for the support in the process for LA28

Expected result — Finish all the data base with the technical analysis of each athletes that received support by the CON and Panam programs , identifying the athletes that should be on the Elite Group and Semi Elite program, and define the technical criteria's for the next year with all the aspects that the CON, would support.

Success indicator — Define the Elite and Semi elite program

EXECUTIVE SUMMARY

For this week i presented the initiative for the sport system, also the technical analysis an how we need to define technical criteria's for the identification of the athletes that could have projection in LA28 , with this information we can integrate and define the line action for the next year.
