THIS WEEK'S OBJECTIVES

- 1 we were waiting for response of attorney general about the signature to initiate the program with schools

Expected result — Following a reply to our email, the Permanent Secretariat of the Ministry of Sport stated that the Attorney General would provide a response regarding the latest version for moving forward by June 30.

Success indicator — if the response arrives by the final deadline provided

² As the deadlines of the initial plan are being exceeded, we are working on adjustments to reorganize the entire proposed plan.

Expected result — If the deadline is met, we will have the list of individuals to benefit from the proposed undergraduate program ready.

Success indicator — with the list of professionals defined by the Ministry of Education and Sports
