KEY ACTIVITIES THIS WEEK

DATE	ACTIVITY	STATUS
Jun 29	Coordinate the call for participants for the workshop on governance and strategic planning.	Completed
Jun 29	Sent a WhatsApp message to the following collaborators: Leyhor Tolud, Sasha Chikhoer, Biswath Kali, and Mitchell Kisoor—Surinamese members of MEMOS—regarding the revised dates for the workshop. I also sent a message to Manodj Hindori, director of the Olympic Academy, and Kirtie Algoe of the Athletes, Women, and Safe Sports Commission.	In Progress
Jun 30	At the meeting with Mr. Dennis MacDonald and Ranoë Samlal, we confirmed the approval of the request for financial support for two athletes with Olympic scholarships, to be sent to PANAM SPORTS and Olympic Solidarity. This project had been prepared several weeks ago, and the SOC had not responded to the email sent requesting approval; for that reason, I requested a meeting.	Completed
Jul 2	Visit to the training session of badminton athlete Rivano Bisphan, a sports scholarship recipient, at the Ring Sport Center from 9 p.m. to 10 p.m. He was in a technical session with coach Gilmar Jones. También el domingo 5 de julio visité el entrenamiento de Volleyball de sala masculino en el gimnasio Natin en su entrenamiento de 9pm-11pm. Este día se realizaron pruebas físicas requisito para los Juegos de Santo Domingo.	Completed

INITIATIVE PROGRESS

Governance & Strategic Planning

GOVERNANCE

● In Progress

▲ 2 vs. last week

We are now in the registration phase for federations via a Google Form. The invitation was sent out by the SOC's administrative department.

Competition Preparation Support

HIGH PERFORMANCE

In Progress

▲ 1 vs. last week

We are in full contact with the athletes who have received Olympic scholarships—that was the main goal of this initiative. We have also been able to connect with other sports teams heading to the Santo Domingo Games and the ODESUR Games, and we are getting closer and closer to the active sports scene in Suriname.

Talent Identification & Development Program

DEVELOPMENT

On Hold

▲ 1 vs. last week

We are prioritizing the first three initiatives, but that doesn't mean we haven't made progress; we've had several meetings with various professionals regarding athletic talent, and we're even waiting for a response from the Dutch National Olympic Committee (CON), with whom we've been in contact, since they have their own talent identification programs and the Dutch language is a good fit for Suriname.

PANAM SPORTS SUPPORT NEEDED

I have doubts about my role and impact on the project.

CHALLENGES

High priority In Progress TECHNICAL

Find a location for Yade's training camp.

Action — We need a room to be arranged for Yade Bongsomenggolo and her sparring partner at the Olympic Village in Santo Domingo, from 17 July onwards; this would enable her to prepare more effectively for the CACSO competition. We got in touch with Víctor Pérez thanks to Tony Mesa's support.

NEXT WEEK FOCUS

- 1- Workshop on governance and strategic planning.
- 2- Visit to training sessions for the assigned sports.
- 3- Resume work on the federation rankings.
