EXECUTIVE SUMMARY

This week, on the one hand, we continue to support the athletes who will compete in the 2026 Central American and Caribbean Games in Santo Domingo, but we are also focusing on the final preparations for the coaches' workshop, while staying in touch with the federations to ensure they submit the list of coaches for the coaching certification program offered by Panam Sports. Finally, there is no shortage of coordination meetings with the Secretary General, who is involved in the day-to-day operations of the SOC, in addition to weekly coordination meetings with Mike Nahar, the local methodologist.
