WEEKLY PROGRESS TREND (ALL INITIATIVES)

THIS WEEK'S OBJECTIVES

- 1 Implement the strategy for LA28, firstly have meeting with the Elite group (those athletes that have the projection of medals), Second define the universe of athletes in Semi Elite group, Third have strategical meeting with the track and Field president to discuss technical aspects and the direction of the process to start building the medals for LA28

Expected result — We want to let athletes know that we are working for them and joining forces to support them in achieving their goals. Therefore, in these meetings, we want to understand their objectives and needs so in that way we can properly direct the action lines of this strategy.

Success indicator — See the answer of the athletes , i am very exciting working in this project for them, and i admire the humble and hungry of achieving more results in this season

- 2 To ensure the implementation of this strategy works and to establish mechanisms for constant monitoring and follow-up this strategy

Expected result — Define the mechanism for monitoring remotely

Success indicator — All the entities being on the same page and working together for cover the necessities of the Elite Group

EXECUTIVE SUMMARY

Main achievements the meeting with the athletes were successfully, the meeting with the president of Track&Field was so productive to define and discuss technical aspects
