WEEKLY PROGRESS TREND (ALL INITIATIVES)

THIS WEEK'S OBJECTIVES

1 We spent a week meeting with the presidents of the five local federations with the greatest national significance to discuss the grassroots program for 2027.

Expected result — compile information that helps the SKNOC provide targets and parameters for the use of the annual budget allocated to the federations

Success indicator — By the end of October, the federations must submit an annual report; based on requests made at this meeting, we will be able to compile specific information on the subject.

NEXT WEEK FOCUS

It wouldn't be next week, but rather the following month, when each federation must provide the requested information to the SKNOC so that we can proceed with the program.
