KEY ACTIVITIES THIS WEEK

DATE	ACTIVITY	STATUS
Oct 14	Work with TTOC and ASATT to get the LA28 plan finalized. On October 14, ASATT submitted their LA28 Plan, but failed to list the targeted athletes. So, I asked for a revised draft plan with the list of athletes. Once this is received, I will incorporate into the Executive Summary for the Ministry of Sport & Youth Affairs.	In Progress

WEEKLY PROGRESS TREND (ALL INITIATIVES)

THIS WEEK'S OBJECTIVES

1 Finalize the LA28 Plan for ASATT (Swimming) and include it into the overall Executive Summary for the Ministry of Sport & Youth Affairs.

Expected result — ASATT LA28 Plan submitted, so the plan can be included with Athletics, Cycling and Parasport for final submission to Ministry of Sport & Youth Affairs.

Success indicator — ASATT LA28 Plan submission to TTOC

EXECUTIVE SUMMARY

In June, TTOC met with the Ministry of Sport & Youth Affairs to set the groundwork for submission of TTOC LA28 Plans. In July & August, TTOC monitored the TT results from the various Games and World Championships and incorporated those results into the TTOC Targeted Athlete List for Cycling, Athletics, Swimming & Parasport. In September and October, each of the respective sports (minus swimming) submitted their LA28 Plan. With ASATT (swimming) LA28 Plan submission, the final package to the Ministry of Sport & Youth Affairs will be complete. Once the Executive Summary is submitted, TTOC needs to plan out the next steps for LA28 planning and ultimately the TTOC Strategic Planning process. Right now, that is not defined and my compensation was reduced from $6,000 to $2500 to make arrangements for a local methodologist and a strategic planning facilitator.

6/10

▼ 3 vs. last week

The entire Executive Summary to the Ministry of Sport & Youth Affairs has been put on hold due to waiting for the ASATT LA28 Plan. Hopefully, it will be submitted this week, so we can move forward with the submission to the Ministry.

PANAM SPORTS SUPPORT NEEDED

Clear direction and understanding of the IOC Solidarity funding project to the NOC's.

CHALLENGES

High priority · In Progress · POLITICAL

The Ministry of Sport & Youth Affairs issued a press release concerning ministry funding support for TT athletes. The question has been raised in how this impacts the TTOC/PAN AM Sports methodology project.

Action — We need a strategy to address the Executive Summary of LA28 Plans and submission to the Ministry of Sport & Youth Affairs.

NEXT WEEK FOCUS

Submit the TTOC Executive Summary and NGB LA28 Plans to the Ministry of Sport & Youth Affairs.
